		3/21 County/City of Victoria issue Order to Control Social Gatherings due to a Public Health Emergency	
		COVID-19 Thursday, March 26 Press Briefing Recap: ■ There still are 3 confirmed cases of COVID-19 in Victoria County. No additional confirmed cases have been reported.  ■ Dr. McNeill stated that Sprint and LoanMax have been identified, through epidemiological investigation, as low-risk community exposure sites. Dr. McNeill stated that the CDC and FDA prohibit testing of a person while asymptomatic.  ■ Gulf Bend Center Chief Clinical Officer Lane Johnson addressed mental health and self care during COVID-19. He encouraged the community to take a break from the news and hype over COVID-19, take a breath and smile. Because of increased anxiety, it is important for individuals to focus on what they can control rather than what they cannot. While we are social distancing, this does not mean residents need to avoid social connection entirely – options to stay connected include using FaceTime, writing letters, sitting outside or listening to music. Lane encouraged residents to take 15-minute breaks from the media in order to reset.	<a href="https://www.victoriatx.org/departments/communications-office/emergency-information/coronavirus-covid-19">https://www.victoriatx.org/departments/communications-office/emergency-information/coronavirus-covid-19</a>
